Corporate Social Responsibility

On the 16th June 2017, the President's Foundation for the Wellbeing of Society in collaboration with CORE Platform will be organising an event to promote Corporate Social Responsibility by facilitating networking between NGOs and businesses at local and national level, under the patronage of Her Excellency, The President of Malta. CORE is also a member of CSR Europe and is their National Partner Organisation in Malta. CSR Europe is chaired by IBM Europe and has more than 40 CSR organisations in more than 30 European countries.

Our event aims;

*To encourage networking between the three main stakeholders: NGOs, small and large-scale businesses and Local Councils.

*To increase awareness and inform all stakeholders involved about the benefits and the process required to access Corporate Social Responsibility.

*To make businesses more aware of the rewards when investing in Corporate Social Responsibility

*To support, facilitate and encourage networking between all stakeholders within their local community and at national level.

*To share good practice of projects where Corporate Social Responsibility was adopted.

PFWS and CORE shall be hosting Ms. Celia Moore, a renowned international speaker from CSR Europe as keynote speaker. Dr Marie Briguglio will facilitate a panel "Sharing good local practice"
